Dear Chuck:

I just received a letter from Mark Willey, concerning the above named individual, but he really had no information. He indicated he had talked to a lot of people, but could find no information concerning this man.

The only information we had previously was your letter to Mr. Okerlund indicating that he had been convicted on a child abuse charge and served time as a result of this. You also indicated that he had tried to register apparently on the district level in D8614. Your letter was dated May 24, 1988.

All I really want at this time is a Confidential Record Sheet that would help us to identify Mr. Okerlund should he try to register in some other location. Is there anyone that knows what he looks like, approximately how old he is, and his race? Information of this type would help in our identification process.

Thanks for your help in ending this continuing correspondence.

Sincerely,

Paul Ernst, Director  
Registration Service

Dear Paul:

I sincerely apologize for not responding to your previous correspondence regarding Denes Paul Okerlund, but I have been trying to secure some information before I replied.

I have taken David Flory's place as District Executive in the Kia Kima District, but have talked with David regarding this matter. He has no information about this man, and claims that he has never worked in the Kia Kima District. I have talked with other key volunteers in the district, but they, too, have no information regarding Okerlund.

I am sorry for not getting back to you sooner, but I tried to talk with everyone that has more than a small amount of association with the Kia Kima District. My only suggestion would be to contact Roger Hooper, the District Executive in the Tuocs District. The Tuocs District also takes in part of Cumberland County, and this does include Ft. Bragg. It is possible that Okerlund could have been associated with the military. You can contact Roger through the Occoneechee Council office in Raleigh, N.C.

If I can answer any further questions or help in any other way, please feel free to contact me at [REDACTED]

Dear Chuck:

Last June, we received a copy of a letter you sent to Mr. Okerlund indicating that he cannot be registered with the Boy Scouts of America. We would concur with your decision.

I really need a Confidential Record Sheet, so that we can identify Mr. Okerlund. Can you not complete it with some information that will help us to identify him in case he should attempt registration in some other location? Perhaps the District Executive, David Flory, could help in the matter.

Any other material you can get us that would indicate his conviction would be helpful, but we feel we can maintain him on file if we have the Confidential Record Sheet.

Sincerely,

Paul Ernst, Director

Dear Chuck:

I hate to keep bothering you, but I must have more information on Mr. Okerlund if we are to set up our Confidential File and be able to refuse registration in any other council.

I am enclosing a Confidential Record Sheet which I would like to have completed to the best of your ability. It is necessary to know the approximate age of Mr. Okerlund as well as his race and other personal characteristics. Please complete this to the best of your ability.

A copy of his application or other paper with his signature would also aid in the identification process.

We appreciate your indication that he was convicted in Fort Benning, Georgia, of child abuse. If you could give us any more information concerning this we would appreciate that information also.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

Dear Chuck:

We have not heard from you, since we received a copy of the letter which was sent to Mr. Okerlund refusing him registration. This is most helpful to us and will enable us to refuse his registration should he attempt registration anywhere in the country.

I would like to have a Confidential Record Sheet completed so we can better identify Mr. Okerlund. Please complete this with as much information as you have and we will use it for this identification.

If you can give us any other material, we will be thankful for that also, as this would strengthen our file.

Sincerely,

Dear Chuck:

I appreciate the copy of the letter which you sent me which was addressed to the above named individual. This is most helpful to us and certainly will help to substantiate our refusal of registration in the future.

I do not seem to find a confidential record sheet in our files and I am enclosing one which I would like to have completed. This would then enable us to identify Mr. Okerlund should he attempt registration in some other council.

If there is any other documentation of his conviction, this would be helpful, if you could secure it. A copy of the court martial, or statements from individuals would certainly help.

Thanks for your help in completing this file.

Mr. Denes, Paul Okerlund

Dear Mr. Okerlund:

David Flory, Kia Kima District Executive, has made me aware of your desire to register with the Scouting program. It is also my understanding that you were convicted on a child abuse charge and served time in the penal system as a result of this charge.

Unfortunately, I must tell you that we are not in a position to accept your registration with the Boy Scout program in any way. The National Council, Boy Scouts of America has been consulted on this matter and they are in agreement with this decision.

Sincerely,
